

# You are the SKI JUMPING Star

mobile JUMP 4to6  
by Peter Riedel sports technology

\*Whether as a highlight at trade fairs, sport events or festivals. For corporate incentives, teambuildings or other celebrations. Or as a training opportunity for the children. Or just because:

## MOBILE JUMP 4to6

### WITH OUR MOBILE HILL YOU ARE THE SKIJUMPING STAR!

No matter whether children do their first jumps or winter sports fans fighting hard against their friends for every meter - with the new mobile Jump by Peter Riedel Sports Technology a maximum of fun is guaranteed! For EVERYBODY!

#### THE FACTS:

- fast assembly and disassembly, no official acceptance necessary!
- Adjustment of the jump width to 4 or 6 meters
- extremely space-saving (only 35 m x 3 m required)
- usable all year long indoor and outdoor
- Landing with special carpet (summer) or snow cover (winter)
- appealing design with integrated LED lighting system
- Distance measurement included
- TÜV certified, thoroughly tested by the Austrian and German Ski Team
- a lot of space for your own advertising

#### HOW DO I GET MY MOBILE JUMP?

You can buy our new mobile Jump 4to6 or rent it for individual events. A big car trailer is enough for transportation, or we bring it to you wherever you want - worldwide!
